## **These Days**

**Fountains of Wayne** 

Well I've been out walking I don't do too much talking these days These days These days I seem to think a lot About the things that I forgot to do for you And all the times I had a chance to

And I had a lover But it's so hard to risk another these days These days And if I seem to be afraid To live the life that I have made in song Well it's just that I've been losing for so long

So I'll keep on moving Things are bound to be improving These days One of these days These days I sit on cornerstones And count the time in quartertones to ten My friend Don't confront me with my failures I have not forgotten them
