

Better Love

Foxes

Show me love
Better love
Show me love
Better love

I cried myself to sleep again
You lie right there but I've learned nothing
I do my best to ease your pain
And here we are but we've learned nothing

And it's killing me
When I'm in your arms
I forget the darker days
And it's haunting me
These feet of mine
Won't let me march away

Don't ask me how
But I always thought that we could have a better love
When you lay me down
I forget that all I want is a better love
Show me your better love
Show me your better, better love
Show me your better love
Show me your better, better love

I hurt myself again today
You lie right there and you say nothing
I do my best to leave this pain
But here we are and we've learned nothing

And it's killing me
When I'm in your arms
I forget the darker days
And it's haunting me
These feet of mine
Won't let me march away

Don't ask me how
But I always thought that we could have a better love
When you lay me down
I forget that all I want is a better love
Show me your better love
Show me your better, better love
Show me your better love
Show me your better, better love

Show me love
Better love
Show me love
Better love

And it's killing me
When I'm in your arms
I forget the darker days
And it's haunting me
These feet of mine

Won't let me march away

Show me your better love

A better love

Better, better love

Show me your better love

A better

Better, a better love

Show me your better love

Show me your better, better love

Show me your better love

Show me your better, better love

Show me love

Better love
