

## Hair of the Dog

Foy Vance

You no longer make me happy  
You no longer make me smile  
You've taken everything  
That's good within me

So give me the hair of the dog that bit me  
Give me the hair of the dog that bit me  
Give me the hair of the dog that bit me  
Give me the hair of the dog that bit me

Don't remember a time when I didn't feel high  
If there was a time at all  
Codeine, nicotine green, and alcohol

So give me the hair of the dog that bit me  
Give me the hair of the dog that bit me  
So give me the hair of the dog that bit me  
So give me the hair of the dog that bit me

Give me the hair of the dog that bit me
