

# Beautiful, Beautiful

Francesca Battistelli

Don't know how it is You looked at me  
And saw the person that I could be  
Awakening my heart, breaking through the dark  
Suddenly Your grace

Like sunlight burning at midnight  
Making my life something so beautiful, beautiful  
Mercy reaching to save me, all that I need  
You are so beautiful, beautiful

Now there's a joy inside I can't contain  
But even perfect days can end in rain  
And though it's pouring down, I see You through the clouds  
Shining on my face

Like sunlight burning at midnight  
Making my life something so beautiful, beautiful  
Mercy reaching to save me, all that I need  
You are so beautiful, beautiful

I have come undone  
But I have just begun  
Changing by Your grace

Like sunlight burning at midnight  
Making my life something so beautiful, beautiful  
Mercy reaching to save me, all that I need  
You are so beautiful

Like sunlight burning at midnight  
Making my life something so beautiful, beautiful  
Mercy reaching to save me, all that I need  
You are so beautiful, beautiful

Beautiful, beautiful
