Beautiful, Beautiful

Francesca Battistelli

Don't know how it is You looked at me And saw the person that I could be Awakening my heart, breaking through the dark Suddenly Your grace

Like sunlight burning at midnight Making my life something so beautiful, beautiful Mercy reaching to save me, all that I need You are so beautiful, beautiful

Now there's a joy inside I can't contain But even perfect days can end in rain And though it's pouring down, I see You through the clouds Shining on my face

Like sunlight burning at midnight Making my life something so beautiful, beautiful Mercy reaching to save me, all that I need You are so beautiful, beautiful

I have come undone But I have just begun Changing by Your grace

Like sunlight burning at midnight Making my life something so beautiful, beautiful Mercy reaching to save me, all that I need You are so beautiful

Like sunlight burning at midnight Making my life something so beautiful, beautiful Mercy reaching to save me, all that I need You are so beautiful, beautiful

Beautiful, beautiful
