

Freedom

Francesca Battistelli

Tangled, tied up, twisted
In so many ways I
Don't know how I
Got to this place, the
Pressure's building
Weighing me down
Pinned to the ground

But I feel something shifting
My worries, they're lifting
Break open the doors
You made me for

Freedom
No more living in the dark
No more hiding from my heart afraid
'Cause I am
Meant to run just like a child
Like a river rushing wild always
Oh freedom

It's like finding gold that
Was there all along
Or new words hiding
In your favorite song
I'm breathing, seeing the world
With new eyes
Finally alive

Oh freedom
No more living in the dark
No more hiding from my heart afraid
'Cause I am
Meant to run just like a child
Like a river rushing wild always

Here in this moment
The world is wide open
My chains have been broken
And now there's no going
Back to before
You made me for freedom

Freedom
No more living in the dark
No more hiding from my heart afraid
'Cause I am
Meant to run just like a child
Like a river rushing wild always
Oh freedom
Freedom
Oh freedom
