Everything Happens to Me

Frank Sinatra

I make a date for golf -You can bet you life it rains. I try to give a party -And the guy upstairs complains. I guess I'll go thru life; Just catchin' colds and missin' trains, Ev'rything happens to me.

I never miss a thing -I've had measles and the mumps. And ev'ry time I play my ace -My partner always trumps. I guess I'm just a fool; Who never looks before he jumps, Ev'rything happens to me.

At first my heart tho't; You could break this jinx for me. That love would turn the trick; To end my despair. But now, I just can't fool; This head that thinks for me. I've mortgaged all my castles in the air.

I've telegraphed and called; I sent air mail special, too; You answer was goodbye -And there was even postage due. I fell in love just once; And then it had to be with you, Ev'rything happens to me.
