

Fairy Tale

Frank Sinatra

Fairy tale, my favorite fairy tale,
Is the one I live with wonderful you,
Life is so grand, a fabulous fairyland,
And we walk it hand in hand as lovers do,
Fantasy became a reality,
With your tender kiss you open the door,
You are marvelous, divine,
Aladdin's lamp did shine,
The magic days that you were mine,
Fairy tale, our love is a fairy tale,
And it never has been told before
