## **Fairy Tale**

**Frank Sinatra** 

Fairy tale, my favorite fairy tale, Is the one I live with wonderful you, Life is so grand, a fabulous fairyland, And we walk it hand in hand as lovers do, Fantasy became a reality, With your tender kiss you open the door, You are marvelous, divine, Aladdin's lamp did shine, The magic days that you were mine, Fairy tale, our love is a fairy tale, And it never has been told before
