

# I Can't Believe I'm Losing You

Frank Sinatra

Is this the way our romance ends,  
I got the message when you said we could be friends,  
My love was true, I can't believe I'm losing you.  
We played a game, of give and take,  
But I stopped playing when my heart began to break,  
What can I do, I can't believe I'm losing you.  
Wish I could erase every little phase of love that's in the heart of me,  
Every little dream, every little theme, will always be a part of me.  
There's nothing left for me to do,  
We've passed the point of no return, and now we're through,  
It's still too new, I can't believe I'm losing you.  
It's still too new, I can't believe I'm losing you.
