

## Tell Her (You Love Her Each Day)

Frank Sinatra

(Tell her you love her) each day  
You'll make her happy that way  
A simple "I love you" means more than money  
And, with a kiss or two her life is sunny

Give her a reason to live  
She needs the love that you give  
Always remember that is what she lives for  
She hopes you love her  
Tell her you love her  
Tell her you love her today

(Give her a reason to live)  
(She needs the love that you give)  
Always remember that is what she lives for  
She hopes you love her  
Tell her you love her  
Tell her you love her today
