

## Try a Little Tenderness

Frank Sinatra

In the hustle of the day, were all inclined to miss  
Little things that mean so much  
A word, a smile, and a kiss  
When a woman loves a man, hes a hero in her eyes  
And a hero he can always be if hell just realize

She may be weary, women do get weary  
Wearing the same shabby dress  
And when shes weary, try a little tenderness

She may be waiting, just anticipating  
Things she may never possess  
While shes without them, try a little tenderness

It's not just sentimental, she has her grief and her care  
But a word thats soft and gentle makes it easier to bear

You wont regret it, women dont forget it  
Love is their whole happiness  
And it's all so easy, try a little tenderness
