I have been in you, baby

And it sure was fine

And you have been in me, and so you see,
A **Bm**
We have been so together
F
I thought that we would never
A
Return from forever
Return from forever
Return from forever

A **Bm**
You have been in me
A **Bm**
And understandably
Bm **A**
I have been in 'n' outa you
Bm **D**
An' everywhere, you want me to
Dm
Yes, you know it's true
A **Bm**
And while I was inside
A **Bm**
I mighta been undignified
A **Bm**
And taht is maybe why you cried

I don't know, maybe so

But what's the difference now?
