

Lonely Little Girl

Frank Zappa

Ab **Ebm**
You're a lonely little girl
Ab **Ebm**
But your mommy and your daddy don't care
Ab **Ebm**
You're a lonely little girl
Bm **Eb** **Cm** **F**
The things they say just hurt your heart
Bm **Eb** **Cm** **F**
It's too late now for them to start
Gm
To understand the way you feel
F#m **Gm** **Ab**
The world for them is too unreal
Gm
So you're lonely lonely lonely
Am
Lonely little girl...

C9
All your children
Esus4 **Am**
Are poor, unfortunate victims
Dsus4
Of systems beyond their control
C9 **Esus4**
A plague upon your ignorance
Am **D**
And the gray despair of your ugly life
