God Damn I Am

Frankenstein Drag Queens from Planet 13

God is dead
I beat him in the head
Call it sin
I'd do it again
So what? so what?
Babies tears on a butchers block

God loves me
Well god can blow me
I don't believe
That's why i said
God damn
God damn i am
God damn
God damn i am

Gods a fag
Because he's dressed in drag
So if that's sin
Heres some more of it
I'd do it again
So what? so what?
Babies tears on a butchers block

God is great
God is good
Tell him thanks
That's why i say
God damn
God damn i am
God damn
God damn i am
