

Please Take A Chance

Frankie Valli

My love for you will always be
Oh love that's true
It's a necessity
So mmm take a chance
Please take a chance on love
(Take a chance on love)

I need you so
More than you'll ever know
Your love for me
It's a necessity
So mmm take a chance
Please take a chance on love
(Take a chance on love)

When I go to sleep at night
I dream of how it might be
Then I wake it's all a mistake
But I have you to remind me

I need you so
More than you'll ever know
Your love for me
It's a necessity
So mmm take a chance
Please take a chance on love
(Take a chance on love)

When I go to sleep at night
I dream of how it might be
Then I wake it's all a mistake
But I have you to remind me

I need you so
More than you'll ever know
Your love for me
It's a necessity
So mmm take a chance
Please take a chance on love
(Take a chance, take a chance on love)
