

Anything You Want

Frankmusik

I'll walk with you into the sea
I'll follow you into the deep
I can hardly breathe
You'll have your way with me
Each time you give that look
It's all I'll ever need

You're a perfect ten
Are you thinking what I'm thinking?
And you've got what I'm missing
Start me up again
Any way you want it
Girl you know you got it

Everything I have my love it's yours, it's yours, it's yours
Anything you dream I'll make it your reality

Longing for your love again
Whatever you asked of I say
All that you wanted it's there

You're a perfect ten
Are you thinking what I'm thinking?
And you've got what I'm missing
Start me up again
Any way you want it
Girl you know you got it

Everything I have my love it's yours, it's yours, it's yours
Anything you dream I'll make it your reality

Always yours, don't need another
Drift away with me
Let us last just one forever
Be my everything

You're a perfect ten
Are you thinking what I'm thinking?
And you've got what I'm missing
Start me up again
Any way you want it
Girl you know you got it

You're a perfect ten
Are you thinking what I'm thinking?
You've got what I'm missing
So start me up again
Baby any way you want it
Girl you know you got it

Everything I have my love it's yours
