

Crash and Burn

Frankmusik

Please don't speak 'cos only fire comes out
And you breath it falls on me somehow
Keep believing you when you say you've changed now
I keep returning to you but you let me down down
I felt your danger
Its quite attractive
But I can't remember to forget

I'll crash and burn burn burn
Just to keep our love alive
Gotta set myself alight
Cos I'll be the one
To crash and burn burn burn
Cos you make me want to play with fire
But I can't help what I desire
Oh I'll crash and burn
But baby next time its you turn

Your vulnerable but uncontrollable
Your dragon heart
Is tearing me apart
I keep defending you from what that say you are
But who needs rocks when your the hardest place on earth

But I felt your danger
Its quite attractive
But I can't remember to forget

I'll crash and burn burn burn
Just to keep our love alive
Gotta set myself alight
Cos I'll be the one
To crash and burn burn burn
Cos you make me want to play with fire
But I can't help what I desire
Oh I'll crash and burn for you

Wether its love of lust or hate
Something about you I can't shake
Oh woah

I'll crash and burn burn burn
Just to keep our love alive
Gotta set myself alight
Cos I'll be the one
To crash and burn
Now you make me want to play with fire
But I can't help what I desire
Oh I'll crash and burn
Crash and burn
Crash and burn woah
Crash and burn
For you
Crash and burn
I'll crash and burn
I'll crash and burn
Yeah
