

Here I Go

Frankmusik

No, no looking back
Not wasting time on that
Cover up again
And let it sink right in

I know, I know it's gone
And I got, I got it wrong
But I'll wait, I'll wait for your call
'Til I get it right

Here I go again
I can't see how it's gonna end
Don't leave me hanging on a question
Here I go again
I can't see how it's gonna end
Don't leave me hanging on a question

I wanted just a piece
A little piece of you
Open right up to me
And maybe tell the truth

Can't see past all the lies
Can't leave [?]
And your love has got a price
Just here to past your life

Here I go again
I can't see how it's gonna end
Don't leave me hanging on a question
Here I go again
I can't see how it's gonna end
Don't leave me hanging on a question

Here I go again
I can't see how it's gonna end
Here I go again
I can't see how it's gonna end
Don't leave me hanging on a question
