

La La La

Frankmusik

Close to the edge
No, I don't even care anymore
When you can take me away
You know how to bend
The words that you say

So hear my heart
La la la
I've been waiting
My entire life
La la la
For my saviour
Hear my heart, it's saying, oh
La la la
And it's waiting
I'm coming [?] you
La la la
My creator

Now every move that I made
Every step that I take
I feel stronger than before
It's a blessing I can measure lighter than a feather
Hope this all I know
I never let it go

So hear my heart
La la la
I've been waiting
My entire life
La la la
For my saviour
Hear my heart, it's saying, oh
La la la
And it's waiting
I'm coming [?] you
La la la
My creator

This revelation in my soul
Is something I can see
Is better than a dream
For you're all I need to make me whole
When miracles come for free

So hear my heart
La la la
I've been waiting
My entire life
La la la
For my saviour
Hear my heart, it's saying, oh
La la la
I'm coming [?] you
La la la
My creator
