

Turnin'

Frankmusik

Come around
Cuz you're my little everything
And I don't even mind
If you wanna take your time
It could be 12AM
And I'll be all up in my bed
But you'll be at me door
So tell me what you're looking for

So we follow the road
With the sea to the right
And we'll drive and we'll drive
Through the cold of the night
And we'll have no regrets
In the warm morning light
Cuz now we're living life
Yeah we're living life

Just make the wheels keep turnin'
(And don't let them stop)
And let our love keep burnin'
(Babe you're all I got)
You're something kind of magical
(Magical)
And I don't wanna to let you go
(Let you go)

Cuz every button that you push
Just gets me closer to the truth
I believe that we can do 'bout anything
Just taking chances that we got
We can make it to the top
Baby we're invincible

So we follow our hearts
And the things we desire
And the further we get
We just keep getting higher
But if we lose it all
In the blink of an eye
I got you and your smile
Yeah you and your smile

Just make the wheels keep turnin'
(And don't let them stop)
And let our love keep burnin'
(Babe you're all I got)
You're something kind of magical
(Magical)
And I don't wanna to let you go
(Let you go)

Just make the wheels keep turnin'
(And don't let them stop)
And let our love keep burnin'
(Babe you're all I got)
You're something kind of magical

(Magical)

And I don't wanna to let you go

(Let you go)

Just make the wheels keep turnin' turnin' turnin' turnin' turnin' turnin'

And let our love keep burnin' burnin' burnin' burnin' burnin' burnin' burnin'
