

Vacation

Frankmusik

Time slows when you're around
When you look my way, I look down
You give me hope cause now I found
When I'm with you, yeah, nothing really matters
And now I know it's perfect
Now I know it's right
I can't help it, let me show you
That nothing will stand in our way

I'll be your new sensation, oh babe
Just like your first vacation, oh yeah
I'll be your new sensation, oh babe
Just like your first vacation, but this won't end

Look back, heart attack
You make my body rock with just one glance
Don't know how you turn me around
I take it slow, just waiting for a moment
But I'm getting close, I feel it
Really getting close this time
I can't help it, let me show you
That nothing will stand in our way

I'll be your new sensation, oh babe
Just like your first vacation, oh yeah
I'll be your new sensation, oh babe
Just like your first vacation, but this won't end

Don't leave me hanging baby
Make me your one and only
Give you the first time feeling
Oh that you've been waiting for

I'll be your new sensation, oh babe
Just like your first vacation, oh yeah
I'll be your new sensation, oh babe
Just like your first vacation, but this won't end
This won't end
This won't end
