

You Are Here

Frankmusik

She guards a secret that I depleted
Cause I didn't know myself
And I wasn't clever, promise forever
And I kept it on the shelf
Can't do your thing, take me back to the color I met you on
I wouldn't wanna be the same
Baby girl just take me home
Yeah, o-oo-oh
Yeah, o-oo-oh
Yeah, o-oo-oh
Yeah, o-oo-oh

Is it any surprise?
I'm singing with tears in my eyes
O-oh-oh
I broke us apart, and now I wonder why
Well I hope he treats you well
He comes home to you at night
I hope he shows you the love
That I kept all inside

I'll flee this city without you
I'll flee this city without you
Life!
I said
I'll flee this city without you
I'll flee this city without you
And I lied
Well I hope he treats you well
He comes home to you at night
I hope he shows you the love
That I kept all inside
Yeah
