

And We Worship You

Fred Hammond

O-o Lord, we praise your name
Your loving kindness
Are ours from men
For it was by your grace
That we made it through
O-o-o Lord, we worship You
O-o Lord, we worship You

Lord You're holy
We adore You
We say we know You
We worship You
In the midst of Your grace
You need our praise
We love Your name
We worship You

O-o-o Lord, we worship You
O-o Lord, we worship You

O for grace is Yours
More and more Lord
We worship You
O-o Lord, we worship
O for grace is Yours more_o
We worship You
O-o Lord, we worship
O for grace is Yours more_o
We worship You
O-o Lord, we worship
