

# Awesome God

Fred Hammond

You'll know what time it is.  
You'll might as well get with it.

Listen up let me tell everybody about my God who reigns.  
Can boast just little bit bout his holy name.  
He controls the whole universe but, cares enough to fill my cup.  
So shout to the lord sing along with me and lift the praises up.  
You Say

What is behind these words I say?  
What makes me feel this way?

What?

He's an awesome (God [x7])

Let's' just imagine just who he is and how his power flows.  
He healed the sick and he raised the dead up from the grave he rose.  
He took the nails and he shed his blood. To prove his soul back his way So a  
ll the power we need to live blessing Jesus name.

What is behind these words I say?  
And what makes me feel this way?

What?

He's an awesome (God [x7])

He's an awesome

He's an awesome

Say it again

(God [x7])

Now what

What is behind these words I say?  
What makes me feel this way?

He

(He's an awesome (God [x7])

God Can you say it with me now

He's an awesome (God [x7])

Let me say it like this trust in him night and day when I'm down I call his  
name and if it don't work out my way I will still give him the praise

He's an awesome God

Somebody help say it say it
