

Great

Fred Hammond

With our hearts so full of sincere exhaltation
We, Your people, we come before You with celebration, hey

Like the angels fly around Your throne
We're crying Holy
With our whole hearts we praise You alone
We're crying Glory

As we dance before You
Praise You for the breakthrough
We sing Your praise
Sing because You are great
Celebrate Your excellent Name
No one like You
Faithful and true
Sing because You are great
Lord, we love Your name, we love Your name

I just praise You with sounds of Glory
We feel Your power this very hour
Send Your presence Lord just like the fresh rain begins to shower

As we lift our hands up high (we bless You)
Truly bless You for Your presence (Lord we bless You)
And Your name we glorify
Mighty God, Mighty God
In the song and in the dance (forever)
Not ashamed to give You reverence (Lord forever)
And forever we will say
You are Great, You are Great

Your Name
Is great
We Love
Your Name, Your Name
Your Name
Is great
We Love
Your Name, Your Name
