

He'll Do It!

Fred Hammond

My faith will carry me, yes it will
Right to my destiny, I know it will
I am sure and there's no doubt in my mind
He'll do it, He'll do it

Yes there are days my tribulations are hard to take
Causing bitter salty tears to run down my face
Over and over again (Time after time)
I encourage myself to press on to the end
There's an appointed destination I gotta make

Having Your word with me
My mind to guard, my heart to lead
I've decided, I'm pressing on come what may
Yes I'm determined

Yes there are days with flying colors
I cruise on my way
Then there are other days I've fallen flat
Upon my face
No matter what tests come my way
(No matter what)
I've determined my heart
To give you perfect praise
Then I can stand up
And refocus and walk on by faith

Lord You have proven that
Your loving hand is on me so
I've decided I'm pressing on
Come what may
Yes I'm determined

His love has set me free, yes I'm free
Therefore I'm free indeed,
I'm free indeed
I am sure and there's no doubt in my mind
He's done it,
He's done it

I am persuaded my strength lies
Within You in that Oh Lord
My victory's sure
Nothing (nothing)
Can change (can change)
My mind (my mind)
No one (no one)
Can stop (can stop)
Me now (me now)
No way (no way)
No how (no how)

I'm pressing on- I won't turn back
Provision's made- There is no lack
I'm standing on His promise
For He said He'd see me through it
And I know He'll do it

Through sunshine and rain
Said He'd be there
Through heartbreak and pain
Said He'd be there
I'm standing on His promise
For He said He's see me through it
And I know He'll do it

I know that there's- So much more for me
My heart is ready- Ready to receive
I'm standing on His promise
For He said He'd see me through it and
I know He'll do it

My faith will carry me, yes it will
Right to my destiny
I know it will
I am sure and there's...
For He said He'd see me through it
And I know He'll do it
