

# I Know What He's Done

Fred Hammond

I know what he's done blood was for me  
He gave his life to set me free  
Day and night blessings assured  
My faith in his word helps me endure  
No doubt, No doubt  
I know what he's done

(He's been)  
He's been mighty good to me  
(protection)  
Protecting me from dangers I can't see  
He gives me the victory  
That's why  
That's why  
That's why  
I love him so!

I know what he's done blood was for me  
He gave his life to set me free  
Day and night blessings assured  
My faith in his word helps me endure  
No doubt, No doubt  
I know what he's done

(He's never)  
He's never gonna leave me  
(He promised)  
He promised that his love would cover me  
He's been a faithful God indeed  
That's why  
That's why  
That's why  
I love him so!

I know what he's done blood was for me  
He gave his life to set me free  
Day and night blessings assured  
My faith in his word helps me endure  
No doubt, No doubt  
I know what he's done

I know what he's done  
I know what he's done  
I know what he's done  
I know what he's done

No you can't make me doubt him  
I know too much about him  
The power of his blood prevails  
And I am sure he will not fail

I know, I know what he's done  
There is  
No doubt, no doubt  
I know, I know what he's done for me

I know, I know what he's done

There is  
No doubt, no doubt  
I know, I know what he's done for me

That's why  
That's why  
That's why  
I love him so!

I know, I know what he's done  
There is  
No doubt, no doubt  
I know, I know what he's done for me

That's why  
That's why  
That's why  
I love him so!

I know, I know, I know  
What he's done for me  
I know, I know what he's done for me

That's why  
That's why  
That's why  
I love him so!

I know, I know, I know  
What he's done for me  
I know, I know what he's done for me

That's why  
That's why  
That's why  
I love him so!
