

I'm In Love With You

Fred Hammond

[Verse 1]

What in the world is this feeling that's come over me?
Like the wind from a warm summer's breeze.
If I'm sleep don't wake me from this dream.
There's only one thing that I know that it can be.

[Chorus]

I'm in love with you and you love with me too. [2x]

[Verse 2]

Out for so long I was sad 'cause I felt so alone.
Now you're here and the lonely is gone.
Now the Lord has completed my song.
He's answered my prayer, now my searching is through.

[Chorus]

I'm in love with you and you love with me too. [4x]

[Hook 1]

There was a time that I thought this couldn't be.
But the Lord saw fit to smile on me.

[Chorus]

I'm in love with you and you love with me too. [2x]

[Hook 2]

I wanna thank you, Heavenly Father, for shining your light on me.
So glad you're mine. So glad you're mine. So glad you're mine.
I'm in love with you.
