

I Owe It All

Fred Hammond

Mm, Yeah, Yeah, I owe it all to You
Through every test, tribulation and trial
Disappointment, hurt, and pain
You have never left my side
You were there every step of the way

So I'm here today grateful to say
That You're love has carried me through
I owe it all to You
I owe it all to You

I've been up, I've been down
Almost level to the ground
Many dangers, seen and unseen
But through it all, You covered me

I've come this far, won't turn around
For I know this one this is true
I owe it all to You
I owe it all to You

Mountains high and valleys low
There was some days I just did not know
How I would make it through this life
But Lord You stepped in right on time

So I will lift up my hands the rest of my days
And give You the praise that is due
I owe it all to You
I owe it all to You

I've been up, I've been down
Almost level to the ground
Many dangers, seen and unseen
But through it all, You covered me

I've come this far, won't turn around
For I know this one this is true
I owe it all to You
I owe it all to You
I owe it all to You

Hallelujah
Glory to You
Please receive our praise
I owe it all to You
I owe it all to You

Hallelujah
Glory to You
Please receive our praise
I owe it all to You

I owe it all to You
[repeat until the end]
