

# I Sing Hallelujah

Fred Hammond

Now that I'm here with you  
My heart I gladly lay before you  
My wounds, my tears, my pain  
I place down at your feet

[Chorus:]

And I sing Hallelujah  
Lord I sing Hallelujah  
Let it ring Hallelujah  
Please receive my praise  
Thank you for your grace

Now that I have to give  
Has fallen short so often  
Without your love, your touch  
I never worry [?]

[Chorus x2]

(Oh Lord)

In my darkest hour you are always there  
I can always count on your goodness and your mercy  
So my heart [?]

And I sing Hallelujah  
Lord I sing Hallelujah  
Let it ring Hallelujah  
Lord I sing Hallelujah

And I sing Hallelujah  
Lord I sing Hallelujah  
Let it ring Hallelujah  
Lord I sing Hallelujah  
And I sing  
Hallelujah
