

John 3:16

Fred Hammond

I'd like to teach the world to sing
As one big family
And know what joy this song would bring
As we sing in harmony
I wanna tell everyone I know
And those that come to me
The greatest love that God can show
Is the power to set free

For God so loved the world
That he gave his only son
That whosoever believeth on him should not perish
But shall live forever ever
God so loved the world
That he gave his only son
That whosoever believeth on him should not perish
But shall live forever ever

If there's a longing in your heart
And there's an aching in your soul
You're missing one important part
This piece will make you whole
It is the love that comes from God
For the poor, rich, great and small
The greatest love you'll ever know
It's the greatest love of all

God so loved the world
That he gave his only son
That whosoever believeth on him should not perish
But shall live forever
God so loved the world
That he gave his only son
Whosoever believeth on him should not perish
Should not perish

No greater love on earth or heaven up above
That God would give his son
And his son would die for us

So we could
Live forever, live forever, live forever
He gave his only son
So we could
Live forever, live forever, live forever
He gave his only son
So we could
Live forever, live forever, live forever

That's how much he loves us
That's how much he loves us
That's how much he loves us

That's how much he loves us
That's how much he loves us
That's how much he loves us

That's how much he loves us
That's how much he loves us
That's how much he loves us

That's how much he loves us
That's how much he loves us
That's how much he loves us

So we could
Live forever, live forever, live forever
He gave his only son
So we could
Live forever, live forever, live forever
He gave his only son
So we could live forever...
