

Nobody Like You Lord

Fred Hammond

Nobody like
Nobody like You Lord, You Lord
Nobody like
There is nobody like, You Lord, You Lord

I can look throughout this world and yet I know, I won't find
I can search eternity and I'm sure, I won't find

No one loves, me like you do
I'm for sure, this is so true
There is no, body like you
So I take this time to say, that there is...

Nobody like
Nobody like You Lord, You Lord
Nobody like
There is nobody like, You Lord, You Lord

No one loves, me like You do
I'm for sure, this is so true
There is no, body like You
Put your hands together now...

Please believe me there is no place on this earth, I can find
There is no one throughout this universe, I can find

No one loves, me like You do
I'm for sure, this is so true
There is no, body like You
Take this time to say, that there is...

Nobody like
Nobody like You Lord, You Lord
Nobody like
There is nobody like, You Lord, You Lord

No one loves, me like You do
I'm for sure, this is so true
There is no, body like You
Please believe me when I say...

Drive: Lord I know Your love is real
I'll tell the world just how I feel
Time after time You have been there
And no one can compare

There is none
There is none
There is none
There is none...
Can't find nobody, there just, ain't nobody
Can't find nobody, nobody, nobody...
Nobody like Jesus
Nobody like Jesus
Nobody like Jesus
Nobody like Jesus, nobody, nobody...

Nobody...

Nobody like Jesus

Nobody like Jesus

Nobody like Jesus

Nobody like Jesus, nobody, nobody... [Repeat 2x's set of 4]
