

Oh Zion

Fred Hammond

[Chorus]

Oh Zion! Put on thy strength
For the glory of the Lord
Is hidden within thee
Oh Zion! Put on thy strength
Be fortified, arise and conquer
Oh Zion!

Saints of the Most High
It's time for us to stand on
The covenant that our God has made
Oh Zion!
That He is faithful
And always by our side
So there's no reason to be dismayed
Oh Zion!

So be courageous and not of a
Fearful heart
As an army we are able to stand
Oh Zion!

Too long we've waited
Let us hesitate no more
Let us march right in and possess
The land

[Chorus]

We are His people
Better known as the blessed of God
And our minds sometimes we must elevate
Oh Zion!

We can do all things
So there's no room for fear and doubt
Let us take a stand, it's no time to faint
No time
Oh Zion!

Oh Zion arise with the armor of the
Lord
Let us fight for this is our finest hour,
Yeah
Oh Zion!

[Chorus]

Armed in the Spirit and believing His
Holy sword
Let us march and take the city with
Power
