

Show Yourself Strong

Fred Hammond

Out of the dust
We're now rising up and we say
Oh Lord we're calling You
Show Yourself strong
Our unending source
You provided before
Oh Lord we're calling You
Show Yourself strong
Oh Lord, we're calling You
Show Yourself strong

Mighty Lord, You're mighty Lord
Rise up and hear the voice of Your people
Show Yourself strong
Singing Hallelujah

Lord of the harvest
Show us Your goodness, say
Oh Lord, we're calling You
Show Yourself strong
Restore the years
That we've sown in tears
Oh Lord we're calling You
Show Yourself strong
Oh Lord, we're calling You
Show Yourself strong

Able Lord, You're able Lord
Rise up and hear the voice of Your people
Show Yourself strong
Singing Hallelujah

Faithful Lord, You're faithful Lord
Rise up and hear the voice of Your people
Show Yourself strong singing Hallelujah

Mighty, mighty, mighty, mighty, mighty, mighty
Rise up and hear the voice of Your people
Mighty, mighty, mighty, mighty, mighty, mighty
Hallelujah

More than able, more than able,
More than able, more than able
Rise up and hear the voice of Your people
More than able, more than able,
More than able, more than able
Hallelujah

Faithful, faithful, faithful, faithful
Rise up and hear the voice of Your people
Faithful, faithful, faithful, faithful
Hallelujah
