

We Sing Glory

Fred Hammond

Little baby boy sent as God among us
For Your plan to free all humanity
We sing glory to Your name
Sing glory to Your name

Tiny fragile heart, yeah
Pumped Your blood to save us
For You come to be a sin offering
Singing glory to the Lamb, yeah glory
Sing glory to the Lamb

Singing glory to the one
Who saved the whole world
Born to die but You live again
And take all our sins away

Little Your hands and feet, yeah
Made for nail and hammer
For the pain and grief you suffered for me
I sing glory to the Lamb
Oh, glory to the Lamb

Tiny arms and legs
Broad strong and sturdy
You carry the key to our victory
We sing glory to Your name
We sing glory to Your name

We sing glory to the Child
Who will save the whole world
Born to die and then live again
To take all our sins away

Glory, glory to the one
Who was born to save the whole world
You died but You'll rise again
So, Jesus we praise Your name

Hark the Herald angels sing
Glory to the new born King
Peace on earth and mercy mild
God and sinner reconciled
Thank you, Jesus

Hark the Herald angels sing
Glory to the new born King
Peace on earth and mercy mild
God has come to save us
Yes, he has

Gloria in Excelsis Deo
God has come to save us
