After Loving You

Freddie Hart

Now after loving you what else is there to do Cause darling all the rest will just be second best I know I'll go tonight comparing into you But I'll be no good to anyone after loving you

Your love can't be replaced with just another pretty face These heartaches will remain cause they can't be replaced Many loves may come along but they can't live up to you I'm no good to anyone after loving you I'm no good to anyone after loving you
