Misty Blue

Freddie Hart

Oh it's been such a long long time looks like I could get you o ff my mind Oh but I can't just the thought of you turns my whole world a m isty blue

Just the mention of your name turns the flicker into a flame I think of things that we used to do then my whole world turns misty blue

I should forget you heaven knows I've tried But when I said I'm glad we're through my heart knows that I've lied Oh it's been such a long long time... Oh just the thought of you turns my whole world a misty blue
