

# Woman Across the River

Freddie King

Across the river  
A good woman cried  
All because  
A foolish man had lied  
She give up all she had  
To show how much she cared  
But the man told so many lies  
Now another man is over there

That woman across the river  
Sweet woman across the river  
She was mine

Word got around  
That he had jilted her  
And men came running  
Came running from near and far  
How I been such a fool  
Never never never know  
but the man  
He's got to know  
He's a lucky so and so,

That woman across the river  
Sweet woman across the river  
She was mine

Met her one day  
About a week ago  
She said "I don't even want to talk to you  
Cause, I don't love you any more"

That woman across the river  
Sweet woman across the river  
She was mine
