Secret Love

Freddy Fender

Once I had secret love
That lived within this part of me
All too soon my secret love
Became impassioned to be free
So I told a friendly star
The way that dreamers often do
Just I wonder of your eyes
And why I'm so in love with you

Now shout this highest hill

Even told the golden best of you

And now my heart's an open door

And my secret love is no secret anymore

Ai amor mon me le quer morir

Que non miras lo que pasa en mi

Ven y da-me tu calor

Que mi corazon se muere sin tu amor

And my secret love is nno secret anymore
