

# Ain't No Money Like Trap Money

Fredo Santana

Ain't no money like trap money  
Ain't no money like trap money  
Ain't no money like trap money  
Work coming in and you know I put my tax on it

Ain't no money like trap money  
Ain't no money like trap money  
Ain't no money like trap money  
Work coming in and you know I put my tax on it

I remember when I ain't had nothing  
Now a nigga pull up stunting  
Money fall out all hundreds  
Make yo bitch wanna suck something  
Ain't no money like trap money  
Trap house jumping why you think these racks on me?  
Remember being broke bitches used to act funny  
Now I'm seeing them hoes when I got these racks on me

Ain't no money like trap money  
Ain't no money like trap money  
Ain't no money like trap money  
Work coming in and you know I put my tax on it

Ain't no money like trap money  
Ain't no money like trap money  
Ain't no money like trap money  
Work coming in and you know I put my tax on it
