True religion saggin, all them robin jeans

Money change niggas, but I change money  
Try to rob me, then you know some shots comin  
Gbe, glory boys, we can't go for nothing  
40 in my pocket, pick your ass right up it  
Got a whole team, real niggas, we don't feel niggas  
I ain't gotta shoot your eyes, tell my lil niggas  
Sneak dissin and hatin on my downfall
