

## Lotta Lotta Gunz

Fredo Santana

Fredo from Chiraq and I got a lot of guns  
Eyes so red 'cause I'm off a lot of drugs  
Nigga try to rob me and he get lots of slugs  
Everyone be quiet, I'm on the phone with the plug  
Bitch I trap, I only rap just for fun  
Persona'd up, man your bitch can't get enough  
She ain't getting nun' but that bitch can get a nut  
Everyone be quiet, I'm on the phone with the plug  
(Plug!)

Who was there for me when I was down and out  
Who was there for me when I slept from couch to couch  
Niggas fake, man they only what your dime  
Jealous ass niggas man I don't want around  
Caper rolling up, man we smoke out the pound  
When we pull up, best believe it's going down  
Nigga disrespect then his body is on the ground  
(I hope I don't go down)  
(Plug!)

Word to biggie, I'm counting hundreds in my Coogi  
Pull up with my toolie and my niggas act a foolie  
In my broski Herbo voice "All these niggas brewfurds"  
Pull up on the scene man, all my niggas shooters  
Book me for a show, shit I ain't got security  
Pull up on the show, nigga I ain't tuck my jewelry  
Niggas wanna hate but I'm a get to shooting  
(Plug!)

Niggas wanna hate but I'm a get to shooting  
If you ain't getting no money?  
What the fuck you doing? (huh-huh)  
What the fuck you doing?  
What the fuck you doing?
