

# Watch Me

Fredo Santana

Watch me whip a whole chicken over the damn pot  
Watch me pull up in the drop, and not leave it locked  
All eyes on me bitch I'm 2Pac  
Watch me pull up wit' that tool and let that tool pop  
Watch me stunt up on these broke niggas wit' a new knot  
Watch me do all this shit that you not  
Watch me trap out in my trap house til' my trap hot  
Watch me pull up on the opps then the opps drop

Watch me, watch me, watch me, watch me, watch me  
Watch me, watch me, watch me, watch me, watch, watch me

Watch me pull up wit two Glockes, watch me kill two opps  
I don't give no mother fuck, where you at, here I come  
I got Juice and Capper wit me and you know they shoot for fun  
I got Xannies, kush, and lean, and I'ma do the drugs  
I done smoked a whole pound, I think I killed my lungs  
I got shooters in the cut, we chill up in this crib  
I got shooters all around, don't make me send it up  
I'm ballin you out of bounds, boy just give it up  
I just whipped a whole brick, can't thank my wrist enough  
I think that I'm the shit, can fuck any bitch I want  
My trap house full of bricks, but I think that I need some more  
Niggas wanna flex, gon' end up on a shirt

Watch me whip a whole chicken over the damn pot  
Watch me pull up in the drop, and not leave it locked  
All eyes on me bitch I'm 2Pac  
Watch me pull up wit' that tool and let that tool pop  
Watch me stunt up on these broke niggas wit' a new knot  
Watch me do all this shit that you not  
Watch me trap out in my trap house til' my trap hot  
Watch me pull up on the opps then the opps drop

And I fucked that bitch once then you know I passed her

Watch me pull up in the drop, and not leave it locked  
All eyes on me bitch I'm 2Pac  
Watch me pull up wit' that tool and let that tool pop  
Watch me stunt up on these broke niggas wit' a new knot
