

Don't Go

Freestyle

I know it's hard but, baby
That's how it supposed to be
For the dream to come true
I promised you
I'll wait patiently
There in your heart
And in your soul
Love has taken all control
You can't deny that what you feel
Will set you free...
So...
Please don't go away
Don't go
I just don't know what
I will do without you
I don't know
I know you want to stay
I know the love that you feel is real
Don't go...
