

I Wanna Get Close

Freestyle

La la la la la
La la la la la
La la la la la la
La la yeah yeah
La la la la la (2x)
Yeah, yeah

I think I finally found
The one that I've been looking for
I knew that it was you
As soon as you walked through that door

No, I didn't know what to say
With just one smile you brightened up my day
And now all I really want to do today is

I wanna get close to you (I wanna get close)
Cause I couldn't take my eyes off you
(Can we get close)
Ooh baby, I'm blinded by you
(Everyone knows)
Everyone knows, and it shows
I wanna get close...

La la la la la (2x)
Yeah, yeah

I still remember when
You smiled at me and said hello
Oh, I can't forget the day we met
What you did for me you never know

No, I didn't know what to do
All I did was dream of holding you
And now, baby all I want
To say to you is

I wanna get close to you
(I wanna get close)
Coz I couldn't take my eyes off you
(We're gonna get close)
Oooh baby, I'm blinded by you
(Everyone knows)
Everyone knows, and it shows
I wanna get close

I wanna get close to you
(I wanna get close)
I couldn't take my eyes off you
(We're gonna get close)
Oooh baby, it's a dream come true
(Everyone knows)
Everyone knows, and it shows
I wanna get close

Oooh, oooh, what a feeling
Coz Can't describe

It touched me deep
Inside, yeah
Oooh, oooh, what a feeling
I know you feel it too
Coz it's for me and you ohh ohh
