

Love Is Here

Freestyle

Early in the morning
I woke up and started thinkin'
Will you ever make a move
To show me that you do
Have something to prove

I know someday we'll find a way
For the right words to say
Our love is here to stay

I'll always be here for you
(I'll always be here for you baby.)
I think I'm falling for you
(I'm fallin' in love with you)
It's only you
(you... you... oh.)
I think I love you...
I think we don't have to pretend
You and I just had to let this love begin
I need to know what we are missing or
I wouldn't get this kind of lovin' again
