

# The Party's Just Begun

## Freestyle

Ladies and gentlemen  
The party has just begun  
Wow, look at all these people  
I wish I can dance like that  
Gee, it must be great  
We are here to have some fun  
So get on up  
We are here to have some fun  
So get on up  
We are here to have some fun  
So get on up  
We're shaking up the party, it's time to get down  
We're rocking with your body to the heavy sound  
No leaning on the walls, whoever you are  
No walking through the party trying to act like a star  
No walking into the party trying to act like a star  
So get on up  
We are here to have some fun  
So get on up and dance, the party has begun  
We are here to have some fun  
So get on up  
We love it when you show us you had a good time  
There's nothing gonna stop us or leave us behind  
So put your hands together, move your feet to the beat  
And the feeling gets much better when you're feeling the heat  
We are here to have some fun  
So get on up  
We are here to have some fun  
So get on up  
We are here to have some fun  
So get on up  
We are here to have some fun  
So get on up (So get on up)  
We are here to have some fun  
So get on up and dance, the party has begun  
The DJ got you dancing out on the floor
