

A Bad Dream

From Indian Lakes

Place me up on the shelf a while
And when you're done throw me out
Hold me down underwater to drown
And watch me float around you

I'll wait for you
Come back home to me
I woke up from a bad dream
I was alone, I was whispering your name

Wash me off until I'm gone
Just like every other thing you've done
Just go find yourself another one
Are you hoping it goes away?
Hold me out over the edge
And just let me go

I'll wait for you
Come back home to me
I'll wait for you
Come back home to me

Wash me off until I'm gone
Just like every other thing you've done
And on and on it goes

Wash me off until I'm gone
Just like every other thing you've done
Just go find yourself another one
(I'll wait for you)
Are you hoping it goes away?
(Come back home to me)
Hold me out over the edge
And just let me go

(Just let me go
Just let me go)

Wash me off until I'm gone
Just like every other thing you've done
And on and on it goes
Wash me off until I'm gone
Just like every other thing you've done
And on and on it goes
Wash me off until I'm gone
Just like every other thing you've done
And on and on it goes
Wash me off until I'm gone
Just like every other thing you've done
And on and on it goes
