

Come in This Light

From Indian Lakes

Come in this light
You only need to feel love
But you let the dark in
When you open up the door

But you don't know what it's like to lose
You don't know what it's like to lose

How long is life?

You only need to feel love
But you kept it all in
And you kept us all out

But you don't know what it's like to lose
But you don't know what it's like to lose
